

Children's Hospital - Donating Guidelines

For a more detailed list, go to [Children's Hospital of Pittsburgh toy donations](#)

In a hospital setting, safety and infection prevention are of utmost importance. To support the health and well-being of our patients, please keep the following guidelines in mind when donating:

- All donated items must be **NEW** (store-bought and in original packaging) and **SAFE** (non-toxic)
- We **CANNOT** accept used or "previously loved" items
- We **CANNOT** accept items that have been stored or an extended period of time, are no longer clean/fresh, or have a strong odor (perfume, cigarette, etc.)
- Homemade items must meet strict approval guidelines—please contact the Child Life Department at 412-692-9691 prior to making the items to ensure the donation supports the guidelines. We are no longer able to accept knitted or crocheted hats.
- **PLEASE DO NOT GIFT WRAP** the donation.
