

**Township of Shaler
2018 Crawford Pool Swimming Lessons**

Because of the restricted numbers, parents and students must realize the commitment they have in attending their classes regularly. If the student misses a number of classes, it might affect his/her chances of passing that particular course. If the classes are cancelled due to weather, we will make every effort to schedule make-up classes. If you have any questions regarding cancellation due to the weather, please feel free to call the pool. **Pool Telephone: 412-684-1009**

**Shaler Residents Fee
with Swim Pass
\$30.00 Per Child**

**Shaler Resident Fee without Swim Pass
& Non-Residents
\$50.00 Per Child**

Children under the age of two (2) who are Shaler Residents are not required to have a season pool pass, however the legal guardian of that child must have a season pool pass to qualify for the \$30.00 lesson rate. Non-residents must purchase a non-resident Pool Pass before Swim Lesson Registration to register their child for swim lessons.

Class Level	Description
Preschool Step 1 (P1)	Helps participants feel comfortable in the water and begin to develop fundamental skills such as breath control.
Preschool Step 2 (P2)	Builds on Step 1 and gives participants success with fundamental skills such as floating and basic locomotion.
Preschool Step 3 (P3)	Builds on Step 2 and improves participants' coordination of simultaneous arm and leg actions and alternating arm and leg actions.
Level 1	Water Exploration- This class is for students who are new to water. It provides an introduction and foundation of aquatic skills such as: 1) floating and kicking on front and back, 2) alternating arm action, 3) water safety rules
Level 2	Primary Skills- Continues the fundamentals of Level 1. Students will improve floating and kicking on front and back as well as: 1) rhythmic breathing, 2) swimming on front and back, 3) introduction to elementary backstroke kick, 4) water safety rules and procedures
Level 3	Stroke Readiness- Increases swimming skills and safety practices. Begin combining skills to form coordinated swimming strokes including: 1) freestyle and backstroke, 2) elementary backstroke, 3) treading water
Level 4	Stroke Development- Continue to develop confidence and competence in strokes and safety skills. Introduction to breaststroke and sidestroke.
Level 5	Stroke Refinement- Continues refinement of freestyle, backstroke, elementary backstroke, breaststroke, and sidestroke. Introduces butterfly and surface dives.
Level 6	Skills Proficiency- Develops maximum stroke efficiency and endurance. Introduces flip turns. Refines swimming strokes and diving skills. Encourages lifetime fitness.
